Scopus

**Scopus h-index ranking in KIST**  
**My ranking is 49th.**  
**나의 순위는 49 위입니다.**

# 8,704 affiliated authors

## i Scopus Author Identifier

The Scopus Author Identifier assigns a unique number to groups of documents written by the same author via an algorithm that matches authorship based on a certain criteria. If a document cannot be confidently matched with an author identifier, it is grouped separately. In this case, you may see more than one entry for the same author.
